

WECG/ARES Standard Guide & Check-in Sheet

All Stations, All Stations, All Stations This is _____, Net Control for the Whatcom County Amateur Radio Emergency Services Net. My Name is _____. This is a directed net.

Does any station have emergency traffic?

The purpose of the Emergency Services Net is to provide a communication link between ARES members, the officers and our counterparts. This net is intended to provide ALL Amateur Radio Operators with information about training in ARES, Emergency Services, net control and traffic handling.

(break to reset the repeater)

This net meets every Sunday at 1900 local time. Our primary net frequency is 146.740 on the Mt Constitution repeater (Tone 103.5 Hz). The alternate frequencies are 147.160 on the King Mt repeater, (Tone 103.5 Hz) and 146.580 Simplex.

Please DO NOT act as a relay station unless Net Control asks you to do so. Any traffic or comments for the net should concern Emergency Service related items or emergencies ONLY.

Please do not break this net for any other reason. This is a directed net. Does any station have bulletins or information for the net?

I will now take check-ins starting with... (see page 2)

This is _____, Net Control for the Whatcom County Amateur Radio Emergency Services Net.

I will now take late or missed check-ins

If there are any visitors, please give your call, first name and location now.

This ARES net is organized by the Whatcom Emergency Communication Group
WWW.WECG.ORG. Thanks to all for checking in tonight, and thanks to the Mt Baker
Amateur Radio Club for the use of this repeater.

Please join us again next Sunday night. I am closing the net at 19__ and returning the
repeater to normal operation. This is _____, good evening.
