

K7SJH 0830 Ops 3 Net Script and Procedure – Rev. 3-12-2026

[Check the spreadsheet to see who is signed up for net control the following week.]

Is this frequency in use? [Break to reset repeater]

This is '**your callsign**', my name is '**your name**' operating as K7SJH, Net Control for the St. Joseph Medical Center OPS 3 Net.

This net meets at 0830 Tuesdays on the Church Road repeater. This net's backup repeater is Lookout. This net is a precursor to the DMCC, Region 1 Hospital Net at 0900 on Cultus 220 repeater and then on 147.54 simplex. And then the Whatcom County EmComm net at 0920 on the Mt. Constitution repeater. This net is a directed net for K7SJH St. Joseph Medical Center volunteer radio stations and visitors. [Break to Reset Repeater]

*Next week's net control station is '**name**', '**callsign**'. When checking in please give your call sign, location, and situation. Please reply when your call sign is announced as follows; _____

Are there any visitors wishing to check in? If so, please come now.

Voice and digital reports to the DMCC Region 1 net and the Whatcom County Emcomm Resource net will be given by '**me, your call**' [or '**name and call sign of reporting operator**'].

If there are any comments or questions, please give your call sign now.

This is '**your name**' closing the St. Joseph Hospital OPS 3 net at 08xx. Thank you to all for participating. This frequency is returned to regular amateur use. '**Your callsign**' is now clear.

When checking in to the DMCC net, report, "This is '**your name**', '**your callsign**' for K7SJH. We have '**x**' operators, '**x**' digital messages, and a Ops 3 with '**1**' station, '**x**' operators and "**x**" digital messages reporting".
