

WECG/ARES Sunday DMR Net Control Guide – Roll Call

Revised 12/8/2023

[Before starting the net on WASH ARES, consider checking the net control spreadsheet to see who is signed up for net control for the following week.]*

Is this talk group in use?

This is _____, net control for the Whatcom Emergency Communications Group weekly DMR net. My name is _____. This is a directed net.

Does any station have emergency traffic?

The purpose of this net is for WECG and ARES members, and other emergency communicators to exercise DMR as an emergency communications link.

This net meets every Sunday following the 1900 WECG net, at approximately 1915, on talk group 31538 (WASH ARES) on the Brandmeister network. Any traffic or comments for the net should concern DMR, emergency services or emergencies only.

* [If appropriate: Next week's net control will be _____.]

We will do a roll call of regular WECG members, followed by visitors. Stations checking in, please give your name, call sign, location, equipment and your access to the net. You may also give a signal report.

I will now take WECG check ins starting with:

(Regular WECG and visitors highlighted in yellow on the DMR spreadsheet)

Any WECG members not on the list or that I missed?

I will now take regular visitor check-ins starting with: (Use the Teams spreadsheet.)

Any other visitors, please come now.

Are there any questions or comments for the net?

This DMR net is organized by WECG. Thanks to all for checking in tonight. Please join us again next Sunday. I am closing the net at _____ and returning the talk group to normal use. This is _____. Good evening.
